### ABOUT ME

I am a student in Computer Information Systems with a minor in Cybersecurity, studying at Al-Quds Open University. I have experience in web development using HTML, CSS, and JavaScript, and I am currently learning C++, Python, and cybersecurity.

I have hands-on experience in UI/UX design, and my passion for technology drives me to continuously learn and apply innovative solutions. Through working in the field, I aim to continually develop my skills and contribute to the areas of programming and cybersecurity.

### Experience:

- Personal Projects:
  - Developed a personal website using HTML and CSS
  - Created a basic web application with JavaScript (learning project)
  - Designed UI/UX for various small projects using Canva
